

Qualifying Exam Rating Form

Student		Reviewer	
----------------	--	-----------------	--

Instructions: Please circle the number corresponding to your judgment regarding the extent to which the characteristic(s) described in each criterion is evident in the student's written materials and oral presentation. Any criterion rated as marginal or as unsatisfactory, must be accompanied by a written justification for your judgment. The reader should also attach a general written assessment of the student's overall performance.

	4 Excellent	3 Good	2 Satisfactory	1 Marginal		0 Unsatisfactory		
1.	Accuracy with respect to the application of the concepts and principles selected for discussion:			4	3	2	1	0
2.	Organization and integration of content as specified in guidelines:			4	3	2	1	0
3.	Creativity, imagination and insight with respect to the presentation of ideas:			4	3	2	1	0
4.	Documentation and use of relevant literature and other academic and professional resources:			4	3	2	1	0
5.	Evidence of a constructively critical and objective approach to the subject matter:			4	3	2	1	0
6.	Scholarliness as reflected in intellectual discipline, logical consistency and critical judgment:			4	3	2	1	0
7.	Understanding of research concepts, methods and related issues:			4	3	2	1	0
8.	Recognition of the implications for social work practice.			4	3	2	1	0
9.	Recognition of the implications for the development and revision of theory.			4	3	2	1	0
10.	Recognition of the implications for related research.			4	3	2	1	0
11.	Recognition of the implicit values and assumptions operating in the approach to the subject matter:			4	3	2	1	0
12.	Ability to analyze, synthesize and evaluate the practice, theory, and research issues identified:			4	3	2	1	0
13.	Recognition of issues related to diversity, oppressed populations, and social and economic justice.			4	3	2	1	0
14.	Recognition of appropriate ethical issues related to the identified research agenda, especially those involving human subjects.			4	3	2	1	0
